

# SESSION 4

## Cybersecurity - CCCS Perspectives on COVID-19 related fraud

### Biography

John Bishop is the Finance sector lead for the critical infrastructure partnerships team at the Canadian Centre for Cyber Security in Ottawa. He works with banks, credit unions, insurers, investment firms and other elements within the Canadian financial industry to share knowledge and threat intelligence concerning cyber security. John has been with the federal government for the last twenty years and joined the cyber centre two years ago.
