

Jon Trask

CEO - Blockchain Guru

Biography

Jon Trask is the CEO of Blockchain Guru - a global consulting, software development and training company in the areas of Blockchain, Artificial Intelligence (AI) and Internet of Things (IoT). He is a strong believer in combining training with consulting, allowing clients to be educated in the application of blockchain within their specific industries to ensure the best possible project results.

Blockchain Guru caters to three major industry verticals: Supply Chain, Identity & eGovernment; and Financial Services. Since its inception in 2017, Blockchain Guru has produced over 20 blockchain projects and is recognized as a world leader in the emerging technology space.
